

YOU PLAY, THEY PLAY...

and learn and grow and become better than they ever thought possible.

Join us for a great day of golf benefiting the Lincoln YMCA's Strong Kids. This year's golf outing will be held at the beautiful Elks Golf Club on Friday, May 15, 2026.

The Strong Kids fund supports children and families by providing financial assistance, program subsidies, and community outreach. All money raised stays right here in our community to improve the lives of our children and families. It allows them to participate in many programs such as soccer, basketball, afterschool care, and so much more.

This golf tournament is supported generously by businesses and individuals who believe in the mission of the YMCA. Through your participation, you are helping to build strong kids, strong families, and a strong community. Join us for a great cause and have some great fun!
